

We are part of the Y's Men's International, a worldwide association of Christ-centered service clubs with a common loyalty to the YMCA. This worldwide Christian fellowship includes men and women of all ages, races, nationalities, religions and socio-economic levels. Together, with mutual respect and affection, we believe that we can put Christ's teachings into action through active service. During this process we hope to make our communities, and ultimately the world, a better place in which to live and raise our children.

Our Purpose

We strive through active service to develop, encourage and provide leadership to build a better world for all mankind.

Our Objectives

1. To function primarily as a service club for the YMCA.
2. To support other worthy organizations.
3. To cultivate good fellowship.

Our Direction

We reflect the original concept of the YMCA - people concerned about their fellow human beings.

How We Help The YMCA

We are the eyes of the Y and help meet the greater needs of the community. Through our business connections we can bring support for Y programs. We provide money realized through our fundraising projects.

"We all have something to give. So if you know how to read, find someone who can't. If you've got a hammer, find a nail. Join the Community of Conscience."

George H.W. Bush

Charted in May of 1988 our club has served our local community with many projects, starting with the YMCA itself. We helped raise funds for the YMCA building and have contributed to the addition to the YMCA, the skate park, the picnic shelter, bleachers for the Y site, a passenger bus, mini bus, pitching machine, storage trailer for the Y site, numerous landscaping projects and more. Not limiting ourselves to helping just the YMCA, we reach out to the community as well. A short list of past/ present projects is below:

- South Rowan YMCA Capital Campaign
- South Rowan Library Capital Campaign
- Red Cross
- Rowan County Literacy Council's Scrabble Scramble Challenge
- Historical Society of South Rowan Roller Mill Restoration Project
- Jesse Carson High School
- Rowan Helping Ministries
- Y's Men's International Service Projects
- South Rowan YMCA's Frank Tadlock Splash Pad.
